The book appointment is a internal process(or should be) at the moment the client need your services, make the posibility to make the the appointment for that services but the client have toknow what services need it(I don't know), that is the reason for the services Various Mechanical services have to divide in subservices for example(in case you want to).

Fluid services.

Engine Flush services.

Transmission Fluid Service.

Brake fluid exchange.

Maintetnance services.

-headlight restorration.

Small buld installation.

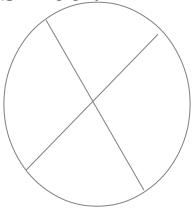

Others ....

try to be especific

that was an example.

Or, other is give the posibility to the clients make appointment(maybe he/she don't know what services need the car), WELL, DID YOU FOLLOW ME ABOUT THAT IDEA?

Simbol.

Means in that place will be a picture or icon.

Social network.

-have to create an account on fb, twitter, google for link to the website.
